Who Are We?

Hi! We are Jeremy and Angie, the duo behind Discover the Burgh. We are engineers turned travel writers based in the North Side near the Mexican War Streets.

We launched Discover the Burgh in 2015 with the quest to do everything in southwest Pennsylvania. Since then, we've visited nearly 1,500 attractions, restaurants, bars & breweries, parks, events, and more all within approximately 90 minutes of downtown Pittsburgh.

To celebrate some of our favorite attractions, parks, and events, *The Pittsburgh Guidebook* was born and was released in November 2025!

Phipps Conservatory

Phipps Conservatory has been Pittsburgh's premier botanical garden since it first opened to the public in 1893. Over the years, this Oakland staple has grown to include many themed rooms, seasonal flower shows, and rotating experiences that keep guests coming back again and again. Don't miss out on the Spring and Winter Flower Shows, especially the latter at night for the outdoor holiday light garden - a real treat!

Ohiopyle State Park

The Laurel Highlands is home to many great parks, and one of the most popular is the 20,500-acre Ohiopyle State Park in the town of the same name. This one features several beautiful waterfalls including the 30-foot Cucumber Falls, a natural waterslide (best for kids- it can leave a nasty bruise!), and some of the best whitewater rafting in the region in the summer months! Add on a visit to Fallingwater or Fort Necessity National Battlefield to make a full day if you have a bit of extra time.
